### Description

2009 Corsair 51 now for sale with DBY Boat Sales.

If you have looked at Seawind 1600, Catana, Outremer or Shionning cruising catamarans, the Corsair 51 is a comparable boat.

The Corsair 51 is an eye-catching worldly performance cruising catamaran. With lifting daggerboards and rudders, it can access all cruising grounds while maintaining excellent performance on all points of sail.

This is an owner's version with the starboard hull including a head with a separate shower stall forward, large berth aft and ample storage.

The salon is a galley up design with an island counter and dual fridge and freezer. A hidden sliding pantry helps maximize storage.

The forward facing navigation station and large settee provides an expansive living area with views to the horizon.

The salon combines well with the cockpit which includes dual helms protected by a hard top bimini. The port hull houses two spacious guest cabins that share a common head and separate shower stall.

Mango Moon was built for the current owners who have cruised throughout Asia and the South Pacific. The boat is rigged for short-handed sailing with all controls leading back to the cockpit.

It is fully equipped for independent offshore cruising with a water maker, generator and air conditioning.

She also has an upgraded electronic package including MFDs, radar, AIS and autopilot. It has been continually maintained and upgraded including new Hydranet main, jib and reacher in 2018,

Mango Moon is currently located in Whangeri, New Zealand and ready to cruise.

Features	
Designer	Reichel Pugh
Builder	Corsair Marine
Water (Potable) Capacity (I)	780
Hull Construction Material	Composite. Kevlar reinforced below the waterline.
Hull Type	Catamaran
Deck Construction Material	Composite
