Suburb	AVALON	Engine Make	Volvo Penta

Description

Challenger 39 exclusively for sale with DBY Boat Sales.

The1989 Challenger 39is a highly regarded Australian cruising sailboat designed by Nick Louis and built primarily by Challenger Marine. It is most famously recognized for itsPilothouse style configuration, offering panoramic visibility internally and exceptional protection from the elements, making it an excellent platform for bluewater cruising or living aboard

Bobis a well-proportioned cruising yacht offering a combination of generous, comfortable accommodation, practical sailing performance and the versatility to enjoy coastal cruising or extended adventures.

Her size provides a good balance between manageable handling and comfortable onboard living, making her suitable for couples, families, liveaboard or those considering longer periods aboard on passage.

Standout features include 2020 standing and running rigging along with mast and boom replacement at the same time. The Volvo D40 was installed new in 2008 and has a very low 301 hours on the clock. The sail wardrobe is only 4 years old with a fully battened main in boom bag and lazy jacks, furling genoa, plus a spare older main sail. The Raymarine instruments are modern, located internally with plotter/depth/speed/autopilot controls on the stand located amidships just aft of the galley. 3 burner stove and oven. The stainless steel main helm has a near new binnacle compass, primary winches are close to hand and the traveller is neatly mounted on the coach house roof out of way of fingers and toes but close enough to single hand.

A yacht with plenty of appeal for buyers seeking an established cruising vessel with the opportunity to make it their own. The interior is large volume but does need a few bench/sofa cushions to be made and a V berth mattress plus a bit of tidying up around the head linings and some of the timberwork could do with a varnish to brighten her up. Priced competitively to achieve a fast sale

Inspections welcome.

For sale with DBY Boat Sales Pittwater Office in Newport. Please call +61 2 9999 3311 for an inspection. For additional high-resolution photos and detailed inventory, please emailsales@dbyboatsales.com.au
