Description

Hallberg-Rassy 370 – The Latest Generation of Hallberg-Rassy Excellence

An exciting new addition to the Hallberg-Rassy fleet – the all-new Hallberg-Rassy 370 is available to order now.

Combining contemporary yacht design with the timeless elegance and exceptional craftsmanship for which Hallberg-Rassy is renowned, the new 370 represents an exciting evolution in this popular size category.

Orders can be placed immediately, with the reassurance of afixed delivery date and fixed purchase price.

The Hallberg-Rassy 370 brings together a modern, efficient hull design with beautifully balanced proportions and the classic styling that has become synonymous with the Swedish marque. The result is a yacht that looks every bit a Hallberg-Rassy while embracing the latest developments in sailing performance, comfort and onboard functionality.

There is an impressive list of new features for a yacht of this size, all designed to enhance the sailing experience and make time aboard even more enjoyable.

Under sail, the Hallberg-Rassy 370 promises an excellent balance of comfort, performance and ease of handling. Its robust rig is designed to be straightforward to trim and manage, while a self-tacking jib is available as an option.
Innovative Deck Layout and Sailing Features

Several clever design features set the new 370 apart from other yachts in its class:
• Mainsheet system positioned forward of the windscreen:The mainsheet track is located ahead of the windscreen, keeping the cockpit clear and unobstructed for relaxing and entertaining.
• Jib sheet tracks on the coachroof:This new arrangement allows closer sheeting angles for improved upwind performance.
• Integrated bowsprit:Ready for gennaker sailing and additional downwind versatility.
• Twin-wheel steering:Combining practical cockpit access with excellent control under sail.

The attention to detail throughout the yacht reflects Hallberg-Rassy's commitment to combining practical innovation with enduring style.Base Boat Specification

The base boat is supplied according to the manufacturer's specification, with numerous additional options available.

The following equipment is included in the specification:

Systems and Comfort
• Insulated 40-litre hot water system with 230V immersion heater
• Electric shower waste pump for separate shower compartment
• Isotherm refrigeration unit with electric compressor
• Holding tank with gravity discharge or deck pump-out
• Volvo Penta D2-50 engine, 37.5 kW / 51 HP, with 115A alternator

Sailing and Deck Equipment
• Seldén Furlex headsail furling system, installed below deck
