Description

Privilege 510 Catamaran

The Signature 510 is a luxury bluewater catamaran designed for long voyages. Its balanced rig and intuitive deck layout allow for easy handling without a crew, making it an ideal companion for long-distance journeys. The protected helm station offers excellent visibility while keeping you connected to the cockpit and life on board. With easy and secure circulation throughout the yacht, the Signature 510 provides confidence and freedom of movement in all conditions. With the Signature 510, bluewater sailing will never feel the same.

Inside, the Signature 510 is designed for extended life on board. Generous storage throughout the yacht allows for true autonomy without compromising on comfort. Natural light and carefully selected materials create a warm, refined atmosphere designed to stand the test of time.PROTECTED HELM STATION

The 510's helm station is strategically positioned to offer excellent visibility while keeping you connected with the cockpit and your loved ones.FULL-BEAM OWNER'S SUITE

Inside, the Signature 510 reveals its most distinctive feature: a full-beam owner's suite – the largest in its category. Positioned forward in the nacelle and remarkably spacious, this suite offers an unrivalled level of comfort, panoramic views and a rare sense of privacy at sea.EASY TO HANDLE

Designed for easy handling without a crew, thanks to its balanced rig and intuitive deck layout, the Signature 510 is the ideal companion for circumnavigation as a couple or with family.LARGE STORAGE CAPACITY

Extensive storage areas provide ample space for everything needed for extended life on board, without compromising on comfort.

Beam/Width (feet)	23
Beam/Width (m)	7.98
Draft (m)	1.57
Draft (feet)	5.15
Accomodation Notes	Features a Full-Beam Owner's Suite: The master cabin spans the entire forward bridgedeck nacelle, housing a 1.80 m by 2.00 m island bed with panoramic forward views. Available in a standard 3-cabin owner's layout or 4-cabin configurations.
Number of Toilets	Private en-suite heads for every cabin.
Holding Tank (L)	212
Number of Cabins	3 or 4
Galley Notes	Features an open-plan U-shaped galley positioned on the port side of the main saloon, bridging the indoor dining area and the aft cockpit. Designed by Darnet Design for offshore passage-making, it pairs residential-grade appliances with deep sea-fiddles, curved corners, and secure bracing for cooking underway. There is a floor to ceiling pantry and large capacity fridge and freezer in addition to a well-appointed galley with plenty of cupboards and counter space.
Sail Inventory	Features a cutter-rigged sail plan engineered by Cabinet Marc Lombard for short-handed ocean cruising, carrying 165 mÂ² (1,776 sq ft) of total upwind sail area. The standard 2026 inventory uses durable OneSails Hydranet radial-cut cloth across a square-top mainsail, furling genoa, and inner staysail.
Electrics	Runs on a 24V DC domestic architecture paired with a 230V AC 50Hz system, powered by a Mastervolt lithium-ion battery bank. Built for extended offshore self-sufficiency, the standard 2026 specification features 12 kWh of usable lithium storage, a 4,000W inverter, and digital touchscreen switching.
Electronics Navigation	Comes fitted with a comprehensive Raymarine offshore navigation suite split between the raised port helm station and the interior chart table.
