Year	2011	Category	Cruising Yacht
Hull Style	Single	Hull Type	GRP
Power Type	Sail	Stock Number	DBY00306
Condition	Used	State	International
Suburb	Greece	Engine Make	Yanmar 3JH5E

Description

Beneteau Oceanis 40 'LEMONADE' exclusively for sale with DBY Boat Sales.

2011 Beneteau Oceanis 40 – "Lemonade"

Location: Aegina Island, Greece
Configuration: Two-Cabin Owner’s Version
Registration: Australian Registered
Condition: Turnkey & Fully Upgraded

Offered at $195,000 AUD, "Lemonade" is an exceptionally well-maintained offshore cruiser, fully optimized for long-range independence and comfortable blue-water liveaboard sailing. Unlike standard charter layouts, this premium two-cabin owner’s configuration maximizes
volume where it matters most, delivering a remarkably spacious saloon, an expansive galley, and a proper aft master stateroom. She is an authentic, turnkey vessel, meticulously prepared for her next long-distance passage.

Accommodation & Comfort
Designed with long-term liveaboard comfort as the primary focus, the interior volume rivals much larger vessels, creating a welcoming and highly livable environment:
•Aft Master Suite: An exceptionally large stateroom featuring a proper rectangular double berth, abundant natural light, and deep hanging lockers— a true sanctuary on the water.
•Forward Cabin: Comfortable V-berth offering spacious double guest accommodations with dedicated storage.
•Saloon: A bright, open seating area featuring a table that lowers seamlessly with a custom insert, creating an additional double berth when hosting family or guests.
•Upholstery: Entirely updated throughout the interior and cockpit with brand-new, premium-grade foam and upholstery.
•Climate Control: An Autoterm liquid diesel system delivers efficient cabin heating and continuous hot water on demand, operating completely independent of engine runtime for quiet, cozy evenings at anchor.

Tender Package: Highfield CL290 Hypalon tender paired with a powerful 20hp Mercury EFI four-stroke outboard, easily managed by a fixed outboard mount and a dedicated lifting crane.

Off-Grid Power & Systems Autonomy
The onboard systems are engineered for complete self-reliance at anchor, removing the need for frequent marina stops or shore power dependence:
•Solar Infrastructure: ~1,060W solar array rigidly mounted on a custom stainless-steel arch and bimini frame. The system feeds directly into a next generation 300Ah lithium house battery bank, managed via Victron SmartSolar charge controllers and a Victron SmartShunt for precise capacity tracking.
•AC Power: A 2,000W pure sine-wave inverter delivers clean power directly to the vessel's 220V outlets.
•Watermaker: Schenker Zen 30 system producing approximately 30 liters per hour, configured with automatic flushing and timed operation.
•Filtration & Utility: A dedicated galley tap supplies pure drinking water via an integrated dual-stage mineral and carbon filtration network. A secondary freshwater washdown outlet is conveniently located in the anchor locker.

Propulsion & Mechanical Reliability
The mechanical systems have been maintained to strict engineering standards, ensuring absoluteconfidence under power:
•Engine:Yanmar 3JH5E 40hp marine diesel (3,860 hours) paired with a robust saildrive
unit.
•Saildrive Overhaul (Early 2023): Comprehensive preventative maintenance completed, including the installation of new diaphragms, seals, and upgraded vibration mounts. Thesaildrive leg was professionally recoated, and the cone clutch serviced.
•Cooling System Overhaul (Early 2023): The engine heat exchanger was chemically cleaned, the raw-water pump completely rebuilt, and all critical cooling lines replaced.

Rigging, Navigation & Deck Hardware
Optimized for short-handed or solo handling, the deck layout balances security with structural integrity:
•Rigging:Complete standing rigging replacement executed in 2021.
•Hull Integrity: All through-hull fittings have been replaced with corrosion-proof, premium TruDesign composite seacocks.
•Mooring Equipment:Upgraded windlass equipped with an integrated chain counter, fully controllable from the helm for seamless shorthanded Mediterranean mooring. Ground tackle consists of a premium Ultra 22kg stainless steel anchor paired with approximately 90m of 10mm 316L stainless steel chain.
•Navigation & Connectivity: Upgraded Raymarine autopilot, Class B+ AIS, and NMEA data multiplexing over the vessel's integrated Wi-Fi and 4G cellular internet network.
•Hull Finish: Fresh antifouling applied and the hull professionally polished in Spring 2026. A comprehensive winter cover is included for ashore storage.

"Lemonade" is sold with an extensive inventory of specialized tools, cruising gear, and critical mechanical spares. She stands as a thoroughly found, highly capable vessel ready to continue her journey.

Available for inspection by appointment on Aegina Island, Greece.

For full inventory plus more photos and/or to arrange an inspection call +61 2 9999 3311 or email sales@dbyboatsales.com.au

Features

Designer	Beneteau
Water (Potable) Capacity (l)	400
Hull Construction Material	GRP
Hull Type	Monohull
Deck Construction Material	GRP
Country Origin	France

Length (feet)	40
Length (m)	11.83
Beam/Width (m)	3.91
Draft (m)	1.55
Keel/Ballast	Shallow-draft keel
Number of Helms	Twin
Displacement	8000
Engine Notes	Yanmar 3JH5E 40HP. Saildrive diaphragms and comprehensive saildrive service - 2023
Number Of Engines	1
Engine Hours	3,860
Horse Power (hp)	40
Drive Type	Saildrive
Engine Room	Beneath Companionway
Generator	No
Number of Batteries	1 x Engine 300 Ah lithium house battery bank Victron SmartShunt battery monitoring
Fuel Type	Diesel
Number of Fuel Tanks	1
Fuel Tank Capacity (L)	201
Propeller	3 blade fixed
Steering System	Cable
Engine Make	Yanmar
Inverter	220V outlets supplied through inverter.
Accomodation Notes	Generous storage throughout and a spacious saloon. Two cabin owner's layout. Large aft owner's cabin. Forward double cabin. Covertable saloon berth with custom folding insert. New upholstery and foam have been fitted throughout the interior and cockpit. New blackwater system, sanitation hoses and toilet.
Number of Showers	2 (1 internal plus 1 x transom).
Number of Toilets	1
Toilet Type	Manual Marine
Air Conditioning	No
Number of TVs	0
Holding Tank (L)	70
Number of Cabins	2
Galley Notes	Hot and cold pressure water. Dedicated filtered drinking water filtration. Stacking cookware and stainless-steel bowls included.
Stove	Two burner gas stove.
Refrigeration	Yes

Number of Freezers	1
Number of Sinks	1 stainless steel
Entertainment and Appliances Notes	Autoderm diesel heating and hot-water system. Expanded solar system and custom arch. Fusion MS-RA 70 marine stereo. Fusion speakers in saloon and cockpit.
Anchor / Winch	Yes
Bilge Pump	Yes
Deck Gear	Dock lines. Boat Hook. Spinnaker Pole. Twin bow roller. 2 x 60m floating stern lines on reels. Folding aluminium passarelle. Outboard lifting crane with Lewmar tackle. Solid transom outboard bracket.
Mast/Rigging	Sloop rig. Standing rigging replaced in 2021 (mast removed, inspected and serviced during rig replacements). Forestay upgraded from 8mm to 10mm. ACMO fittings. BSI standing-rigging wire.
Sail Inventory	Age of Sails: 10 years + Sunbrella mainsail bag. Mainsail. Furling genoa. Bosun's chair.
Electrics	300Ah lithium house battery bank. Separate engine-start battery. Victron SmartShunt battery monitoring. Victron SmartSolar MPPT controllers. 360W flexible Solbian solar panels on bimini. 700W solar array on custom stern arch. Approximately 1,060W total solar capacity. 2,000W Giandel pure sine-wave inverter. 220V outlets supplied through inverter Shore-power system. LED lighting throughout. USB-A and USB-C charging outlets. Waterproof dual USB outlet at helm.
Electronics Navigation	Upgraded Raymarine autopilot. Raymarine navigation instruments. Chartplotter. Wind, depth and speed instrumentation. AMEC WideLink B600S Class B+AIS. Yacht Devices SeaTalkNG-to-WiFi. Digital Yacht 4G Connect Pro router with external antennas. RAM iPad mount at helm.

Dinghy	Highfield CL290 Hypalon tender with Mercury 20HP EFI 4 stroke outboard. Custom davit storage. Fixed outboard mount. Outboard lifting crane.
Safety Gear	4 person liferart. Lifering. Flares. First-aid equipment. Grab Bag. Rechargeable dive torch.
Covers	Full winter cover. Removable bimini side shades. Sunbrella bimini and sprayhood with Strataglass clears. . Helm and cockpit table covers.
Ground Tackle	Ultra 22kg stainless-steel primary anchor. Approx. 90m of 10mm 316L stainless-steel chain. Quick Aleph 3 1000W windlass. Windlass controls at helm. Chain counter at helm. Emergency/stern anchor with chain and rode. Freshwater washdown outlet in anchor locker.
Ice Maker	No
Watermaker / De-Sal	Schenker Zen 30 watermaker - 30L/hr.
GPS	Yes
Has Navigation Lights	Yes
Radio	VHF radio. Handheld floating VHF with DSC.
Number of Life Jackets	Inflatable lifejackets with tethers plus additional lifejackets.
Remarks	Included: snorkeling equipment. Fishing equipment. Cruising guides. Compact pressure washer. Oil extractor. Extensive tools, spares and maintenance supplies. Bedding and towels. Paddle board with pump, paddle and rail storage.
Depth Instrument	Yes
Speed Instrument	Yes
Fire Extinguisher	Fire extinguishers. Carbon-monoxide alarm.
Fenders	8 x long fenders with covers plus 2 x round fenders with covers.
Vessel Name	LEMONADE
Anti-foul	Antifouled and professionally polished - Spring 2025
EGC Price	$195,000 AUD
