Condition	Used	State	New South Wales
Suburb	PITTWATER	Engine Make	Yanmar

Description

Catalina 32 'EPIPHANY' is exclusively for sale with DBY Boat Sales.

This sparkling Catalina 320 has only ever had two owners. The current owner has used her lightly since purchasing her in 2009.

The owner now approaching an impressive 100 years no longer uses the boat as much as he would like and thus it’s time for her to find a new owner.

Her interior is in wonderful condition boasting an enormous signature Catalina stateroom in the rear with a king size bed.

Headroom is excellent, moving around the boat is easier for larger people with a wide companionway, shallow steps into the saloon and good ergonomics in the galley and head.

The galley has a massive amount of fridge space and an Ice box/storage compartment all incorporated into the workbench.

The Dc and Ac electrics are all original and in good order. A full full instrument package was fitted circa 2010 with all the bells and whistles including chart plotter and autopilot.

The Yanmar with its legendary reliability has been serviced regularly, fires up effortlessly and zips Epiphany along at good pace.

The forepeak berth has an innovative split door that closes for privacy and a 6’4” person can lie stretched out on the bed.

Her salon seating is large enough for 8 and when inside her light interior it is hard to believe this is only a 32” boat.

Outside her sporty lines and proven sailing layout make for a great sailing experience. The cockpit is large enough to seat 8. Two “princess” seats on the rear railing make additional space for the helmsman to sit next to three additional people in the aft of the cockpit.

When setting sail the overlapping genoa rolls out easily on the furler and comes back to winches well placed on the cockpit. There is a long spin pole for poling out or hooking up the Spinnaker for some spritely downwind performance.

In mast furling makes deploying, stowing and reefing the main super fast, convenient and safe. Theres no lazy jacks, bag, zips to wrestle with at the end of the day or maintain. Just flip the clutch on the outhaul and roll in the main - super simple.

The sails are in great condition and the main looks all but brand new.

Brand new bimini, dodger.

Whether it’s twilight racing, inshore sailing, overnighting in anchorages or coastal cruising you are looking for. This 32” Catalina eagerly jumps to the task and offers all the comforts of a larger cruiser with youthful performance, modern design and desirable styling

For sale with DBY Boat Sales Pittwater Office in Newport. Please call +61 2 9999 3311 for an inspection. For additional high resolution photos and detailed inventory, please emailsales@dbyboatsales.com.au.
