Now for sale, a 2014 Owners Version 3 Cabin Lagoon 380 S2, the perfect cruising catamaran.

The most popular of all the Lagoons, this boat has been sailed by her proud owners from Europe and is now on our doorstep.

Purchased by the current owners in December 2016, she has now fulfilled the goals of safely cruising the waters of the Mediterranean, Caribbean and South Pacific Ocean over an 18 month period. This meticulously maintained boat is in great condition and has never been in charter.

With over 800 Lagoon 380s built, this is a proven platform which delivers simple day sailing, extended family cruising and entertaining multiple guests. It is easy to sail either solo or two up, perfect for a husband and wife team, as it is nicely set up for short handing in comfort.

The spacious interior is ideal for live-aboard cruising. The saloon and cabins are light and well ventilated with vertical saloon and large hull windows, with 360° vision from the saloon.

The starboard hull is dedicated to the owner with ensuite facilities including large stand up shower and plenty of storage. The port hull offers two further bedrooms and a combined shower and toilet.

This superb example of a near new Lagoon 380 is beautifully set up as are all 380s with the latest long term live aboard comforts and nothing to be added.

She is ready to go on her next adventure, whether coastal cruising or anywhere in the world!!
