Description

The pilothouse style 1994 Challenger 36 for sale is known for its safe and sturdy ride and a great cruising liveaboard yacht.

The Challenger 36 roominess down below is outstanding with big cruising features like long range fuel and water and heaps of battery capacity. A recent re rig and a large sail wardrobe also.

The twin private bathrooms are a nice feature if cruising with another couple or extra family members.

The boat has been professionally maintained and the current owner is a Master 4 which speaks for itself.

She is constructed to Australian Commercial design specifications, particularly with regard to hull, decks, cockpit and cabin trunks, and is capable of withstanding solid water and knockdowns while maintaining water tight integrity.

The yacht has been properly rigged, 2012, and ballasted, is fully seaworthy and meets high standards.

The engine installation is such that when running it can be securely covered and the exhaust and fuel supply systems are securely installed and adequately protected from the effects of heavy weather.

All heavy items have been securely fastened. The companionway can be blocked off up to the level of the local sheer line. Jackstays are fitted on solid anchorage points in such a way to give complete cockpit to bow with no need to unclip.

An inspection will impress if you are looking for the cruising liveaboard as your next choice in boating.
