Description

Clansman 30 1972 BONNIE LASSIE exclusively for sale with DBY Boat Sales.

REDUCED!! MOTIVATED VENDOR!!

A lovely example of a Clansman 30 that has been extremely well maintained by the previous and the current owner. She has been raced extensively in club racing on Pittwater.

Bonnie Lassie comes fully equipped with extensive sail wardrobe of 3 headsails and a new mainsail in 2023. All sail controls including reefing come back to the cockpit area for ease of sailing shorthanded. The traveller is conveniently located behind the cockpit. She has safety gear including spare ropes and other hardware for cat 7 racing - although the audit is now out of date this is easily re-established.

Her rigging was replaced in 2019 for complete peace of mind and she is eligible for comprehensive insurance.

The Volvo Penta diesel engine had a complete overhaul in July 2021 including a new starter motor means trouble free operation from this economical little single cylinder. New start battery and a trickle charger solar panel ensure battery health and good charge for flick of the switch starting and ancillary devices.

Bonnie Lassie is a lovely, dry, clean example of a perfect twilight and club racer with space for overnighting. She has two quarter berths in the rear, a drop-able salon table and V berth upfront. The enclosed head has a door that doubles as the V berth door for privacy. She is jump on and go with the potential option to keep Bonnie Lassie on her current MSB mooring at Taylors Point.There is a dinghy in the council rack a few meters from the mooring for easy storage and access to the yacht. Easy parking and access to the boat will make her convenient to own and sail.

Inspection highly recommended for this charming boat.

For full inventory plus more photos and/or to arrange an inspection call +61 2 9999 3311 or email sales@dbyboatsales.com.au
