Description

SOLD: urray 42 Secret Mens Business #1 - has now been dropped to \$90k to sell. This is the absolute buy of the decade. SMB #1 has been heavily discounted.

Bluewater and easy inshore racing has never been cheaper. SMB #1 has a well recorded Bluewater race history including numerous Sydney Hobart's, CYCA Bluewater events and last year's winner of the RPAYC Club Marine Bluewater series.

As well as being a bullet proof offshore racer, SMB#1 is a highly successful and easy to sail inshore racer with her short footed jibs and the ability to run symmetrical and asymmetrical spinnakers.

SMB #1 has a carbon rig with swept back spreaders and adjustable back stay (no runners), optimised keel and rudder, B&G instruments, wireless Internet capability and a 240v smart charger.

SMB #1 has been measured for IRC and ORCi certificates with a full sail inventory including symmetrical & asymmetrical spinnakers and uses cost effective Farr 40 jibs.

Ready to race - big reduction to sell.

WAS \$195,000, REDUCED TO \$90,000
