Description

2011 Dufour GL 405 first time offered for sale.

The Dufour GL 405 has a decidedly Euro flair with its nearly plumb stem and subtle reverse-transom stern, the ideal design to maximize waterline length and interior volume.

She has a great cockpit layout for entertaining guests with drop down swim platform, BBQ and large fold away cockpit table.

Also functions very well under sail or motor with all sail controls leading back to the cockpit, bow thruster, larger option 55HP motor, power winches, twin helms and a chart plotter which is cleverly incorporated into the aft end of the table.

Down below, there are three double cabins with a large owner's cabin forward with a separate, attached head; the main saloon has a large, U-shaped settee and adjacent dining table; and a second head just aft of the settee.

Down the starboard side is a large L-shape galley with gas stove/oven and huge front & top loading fridge. There is plenty of ventilation and light throughout, with several opening hatches and sleek port lights.

This is a "one owner" boat that has been well maintained and a pleasure to inspect.

Features

Builder	Dufour
Water (Potable) Capacity (l)	380
Hull Construction Material	GRP
Hull Type	Mono
Deck Construction Material	GRP
Country Origin	France
Length (feet)	40
Length (m)	12.17
