Description

Fraser 41 exclusively for sale with DBY Boat Sales.

Amazing yacht that is a fully equipped blue water cruiser and just arrived from Pacific North West.Nikkois ready to go with everything needed for extended liveaboard.

The build and design are well proven including sporting a fully intergrated keel and skeg hung rudder .

She is set up well downstairs with large dinette and opposing long lounge. Both double up as excellent sea berths.

Safety is nicely up to spec with no compromise, including liferaft and epirb. Her cockpit covers are really well done with canvas and clears that can be fully closed to give good all weather protection keeping wind and spray out whilst at sea.

Her 43Hp Beta diesel motor with Maxprop was replaced and has just 1000 hours on the dial.

Rigging was replaced 2021. She has just been antifouled so good for another season at least.

Owners super motivated so have priced for a quick sale.
