Description

This 1996 Island Packet 40 for sale is quality at it's best.

The traditional full keel, encapsulated lead with prop protection integrated into the design, is the dream boat for a bluewater cruiser.

The as new Yanmar shaft drive engine with combined gen set was installed in 2010 with a low 296 hours.

Many experts agree that this is the perfect size for modern day cruising with all lines back to cockpit and easily shorthanded.

The 2 cabin layout is ideal and extremely spacious, lending herself to open up for an additional 3 guests making it accommodation for 7 in total.

Island Packet yachts have won many Boat of the Year awards and that's no surprise.

Large tankage means extended cruising and safety. Freshwater toilet is a bonus.
