Description

Lagoon 400 S2 SEA PEARL exclusively for sale with DBY Boat Sales.2018 Lagoon 400 S2 –SEA PEARLBluewater Ready | French Polynesia to New Caledonia | Offshore Equipped | VAT Paid in the French West Indies

SEA PEARLis an exceptionally well-preparedLagoon 400 S2that has been thoughtfully upgraded and equipped for serious offshore cruising while providing all the comforts of a liveaboard home. Inspection available at Vuda Marina in Fiji, she presents a rare opportunity to purchase a proven cruising catamaran already set up for extended adventures.

Conveniently located in Fiji and available for inspections, sea trials and handover.

Designed with comfort and practicality in mind, SEA PEARL features the sought-after4-cabin, 4-bathroom layout, making her ideal for family cruising, charter or hosting guests. Two bathrooms are fitted with electric showers, while the spacious saloon and fully equipped galley create an inviting living space for extended time aboard.

One of SEA PEARL's standout features is her impressive energy independence. With2,500 watts of solar, a900Ah lithium battery bank (2024),2,500W inverterand2.2kW Honda generator, she is capable of remaining comfortably off-grid for extended periods. Fresh water is supplied by aRainman 70L/hour watermakerfitted with new membranes in 2025, providing excellent self-sufficiency wherever your cruising takes you.

Navigation and communication systems have also been comprehensively upgraded. A completeB&G electronics packageincludes radar andtwo chartplotters (2023), while the onboardStarlink internet systemprovides reliable high-speed connectivity, making SEA PEARL equally suited to remote working as she is to bluewater cruising.

Sailing performance has been enhanced withElvström mainsail and headsail (2023), while an electric mainsail winch simplifies sail handling. The protected semi-flybridge helm offers excellent visibility, outstanding comfort and easy access to all sail controls.

Ground tackle has been upgraded with a25kg Rocna anchorand70 metres of chain, providing confidence when anchoring in remote bays and tropical lagoons. Exploring ashore is made easy with the2.7m 3D Hypalon tenderand Yamaha 15hp outboard.

The interior has been optimised for long-term cruising with numerous custom storage solutions throughout. The galley is exceptionally well equipped with a130L refrigerator,100L freezer, additional100L Dometic freezer, four-burner gas stoveandinduction cooktop, while electric toilets with holding tanks add further onboard convenience.

Power comes from upgradedtwin 45hp diesel enginesturningthree-blade propellers. Both engines have been regularly maintained and provide dependable performance under power.

Adding further peace of mind, SEA PEARL receivedfresh antifouling in May 2026in Raiatea and is presented in excellent cruising condition.Highlights
