Description

Adams 31 'LADIDADI' exclusively for sale with DBY Boat Sales.

2006 Adams 31CC is arguably the best Adams 31’ Centre Cockpit yacht around. Stylish yet modest with appealing fit-out by Master Shipwright Owner, features blue-fleck upholstery, white paneling trimmed with satin finish timber work, all in excellent condition throughout.

This lovely vessel comprises 6 berths including a spacious aft cabin complete with robes, table and ceiling hatch for ventilation and star gazing. Running along the starboard side is a functional galley with extra-large icebox, 240v power points and stove which is concealed by hinged timber panels. There is ample stowage and plenty of bench space and ventilation from the nearby companionway.

The main saloon comprises port and starboard settees immaculately upholstered in blue fleck cloth and surrounded by white / timber panelling and trim. The centre of the saloon area has a convenient fold-away full dining table surrounded by loads of light from wide windows and is well ventilated by ceiling hatch. Supporting the overall integrity of the yacht are robust, polished stainless fittings throughout.

Amidships to port is a bathroom which includes electric head/toilet, basin and tap. Water is pressurized to the galley, head, and cockpit shower. The forward v-berth provides additional berths or dry stowage and continues the blue-fleck upholstery, white panelling and timber theme.

Engine is a Sole 3 cylinder 23HP diesel in excellent condition, regularly serviced and professionally maintained.

On deck, a spacious centre-cockpit accommodates stainless steel wheel station with binnacle topped by a large clear, compass and excellent vantage. At the stern there is a sweet, timber deck lounge behind, which a swimming ladder can be raised or lowered accordingly from the transom.

All standing rigging was checked and tuned in 2016, and running rigging largely replaced. Up forward at the bow beneath the furling headsail is a new Capstan anchor winch. All sails are still in good condition.

Electrical upgrades and replacements include three new engine and house batteries, new solar panels and Bluetooth/USB/iPod integrated to broadcast through a new Pioneer sound system. Instruments include Raymarine

and GME brands and all are in excellent working order. Safety equipment comprises EPIRB, VHF radio, life jackets, auxiliary tiller and more.

For full inventory plus more photos and/or to arrange an inspection call +61 2 9999 3311 or email sales@dbyboatsales.com.au
