Description

Northshore 27

One of the last to be built, a 1986 Northshore 27 is now for sale with DBY Boat Sales.

Northshore 27s dont come any finer than this one.

An almost new 2015 Volvo 20hp saildrive is fitted and presents immaculately with only 245 engine running hours showing and has been serviced recently in June 2021.

This yacht has been pampered throughout her life. Recent upgrades also include the standing and running rigging 5 years ago, new furler at the same time, sails have been serviced by Hood, electronics upgraded in 2015, new canvas for the boom bag, tiller cover, grab rails and winches.

A great success story for designer Hank Kaufman and Australian builder North Shore Yachts was the Northshore 27. This one is amongst the last to have been built and presents in pristine condition.

This particular boat is a great example of the popular club racer and family cruiser with sleek hull lines and good volume down below.

With her fully enclosed head, fold away saloon table, full size 2016 cockpit cushions, Methylated Spirits stove and ice box, solar panel with regulator, she is a great family getaway or club racer with a few mates in the large cockpit.

She is simple to handle by one or two with all control lines leading back to the cockpit, self furling headsail for easy reefing and boom bag. A retractable stainless steel swim ladder hangs off the rail for easy water access

With the quite recently installed Volvo 20hp diesel and 2 blade fixed prop, main & furling #1 headsail plus additional #3 jib in good condition and a spinnaker that’s seen little use this boat is ready to go.

Features

Designer	Hank Kauffman
Builder	Northshore Yachts
Water (Potable) Capacity (l)	150
Hull Construction Material	Fiberglass
Hull Type	Monohull
Deck Construction Material	Textured GRP
