Description

1987 Adams 31 now for sale exclusively with DBY Boat Sales.

Adams 31 Centre Cockpit in immaculate condition with current rigging and good sail wardrobe.

This 1987 model has been extremely well cared for by her current long-term owner.

The centre cockpit area is large and feels super safe. The accommodation consists of an aft cabin area that provides privacy from another couple or the children if overnighting.

Ease of sailing with a 2007 fully battened main with lazy jacks. The 2007 furling headsail is matched to a 2007 Pro furler. All lines come back to the centre cockpit for controlling.

Antifouled recently in October 2020 with a full survey report done whilst out of water.

This is an ideal opportunity to purchase immediately and save the survey cost and hassle, getting you onto the water straight away without fuss.

Inspections welcome and will not disappoint. Priced competitively so don't delay or you'll miss out on this one.
