Description

It is a pleasure to offer for sale this excellent example of a one owner 2003 Northshore 340 MKII in Sydney Harbour.

The Northshore 340 Phlyn was commissioned as new for her current owners and lovingly maintained ever since.

Lightly but regularly used and in excellent condition above decks and below. She was recently slipped and antifouled in August 2014 and had a new 2 blade folding prop fitted to her saildrive.

Her 21hp Nanni diesel was overhauled only three years ago and has had little but regular use since then.

The Northshore 340 MKII is a big volume cruiser racer and will suit a family looking for a bright, clean and comfortable performance cruiser or someone looking for a yacht for spirited club racing.

This is an excellent and great value yacht, which will give years of pleasure to her second owners.
