Description

1992 Adams 48 Centre Cockpit Ketch is for sale in great sail away condition.

Home to a family of four this yacht has spent the last 5 years cruising Australia's east coast, the Western Pacific and South East Asia. Having very recently arrived home from a voyage of discovery through Raja Ampat, Papua New Guinea and the Solomon Islands she is being offered for sale in excellent condition with all systems in good working order. Being of shoal draft with pivoting centre board she is supremely versatile when negotiating shoals and quite simply a pleasure to sail on all points, singlehanded.

Spacious aft cabin features double berth and full size ensuite, forward double with ensuite and vanity. The interior has a beautiful ambience with light coloured furnishings and woodwork along with excellent ventilation from many opening hatches. The centre cockpit is deep, comfortable, shaded and well sheltered in all weather with easy access to the main cabin. Rewired in 2011, Engine room refit 2012, Re-rigged with new mainsail and last slipped in 2015 this boat is absolutely ready for the next adventure. For sale from DBY Boat Sales Pittwater office. For inventory and high resolution photos, call +61 2 9999 3311 or email sales@dbyboatsales.com.au
