Description

1995 Arends 33 now for sale.

This 1995 model is in exceptional condition and is offered for sale to the public for the first time only ever having two owners known to each other.

Skylark II was one of the last Arends 33s to come off the production line and a rare find with the extended sugar scoop transom version for easy entry and exit from the water to cockpit.

She is the ideal platform for a couple wanting to cruise the east coast with shallow draft, long keel, hard dodger, large boom awning and your choice of large or small cockpit table.

Recent upgrades include Tacktick Instrument Package, Seatracker AIS, Seiwa Chart Plotter, 2011 rig and 2010 sail wardrobe including Gennaker with Snuffer used twice.

Skylark II is a credit to her owner's impeccable maintenance regime and a pleasure to inspect.

Features

Designer	Ron Swanson
Builder	John Arends
Water (Potable) Capacity (l)	360
Hull Construction Material	Fibreglass
Hull Type	Medium displacement mono
Deck Construction Material	Fibreglass
