Description

Baltic 42DP "AZUL" exclusively for sale with DBY Boat Sales.

PRICE REDUCED!! MOTIVATED SELLER!!

This Baltic 42DP, built in Finland and launched in 1981, is now exclusively for sale with DBY Boat Sales. The Baltic 42 (specifically the 42DP, designed by Doug Peterson is a renowned Finnish-built cruiser-racer from the late 1970s, through to the early 1980s, a high-quality construction, classic IOR styling, and excellent offshore performance. It balances competitive speed with comfortable, teak-finished accommodation, making it a desirable, and roomy, classic yacht.

Key Aspects of the Baltic 42 (DP/Models):

- Design & Performance: Designed by Doug Peterson, these yachts were optimized for the IOR (International Offshore Rule) rating. They are known as stiff, well-balanced boats that handle heavy seas well.
- Construction: Built in Finland with high standards, featuring strong hulls.
- Interior & Layout: Features a very comfortable and roomy aft stateroom with almost a full island bed walkaround, traditional layout with the forward large V berth area and 4 sea bunks in the salon section. Warm and cosy mahogany interior with teak and holly flooring throughout. A well-appointed galley designed with sea miles in mind is U shaped and of good size.
- Racing/Cruising Balance: Often considered a "performance cruiser," the 42 is capable of racing competitively, yet comfortable enough for extended, cruising.
- Layout: Two private cabins, single head layout plus 4 sea berth bunks

The Baltic 42DP remains a strong contender for those seeking a classic, high-performance, well-built, and stylish cruiser. Inspections recommended, moored in Pittwater.

For sale with DBY Boat Sales Pittwater Office in Newport. Please call +61 2 9999 3311 for an inspection. For additional high-resolution photos and detailed inventory, please email sales@dbyboatsales.com.au
