Description

This 3-cabin layout Bavaria 37 was launched in 2007 and is a tribute to the current owner how well she has been cared for.

She features simple sailing with the in mast vertical battened main and 2021 furling genoa.

The teak lined cockpit is a spacious and sea kindly place to be sailing in and entertain from. The central helm station supports a Raymarine hybrid 9 inch GPS plotter plus the ST 60 wind, depth and speed instruments which are clustered nicely below and easy to see from any helm position. The Eldon wheel cleverly folds in when required which significantly improves the access from the cockpit to transom where there is a large swim platform plus hot and cold shower for rinse off. The cockpit seating has two large opening and lockable lazarettes which swallow a ton of equipment. The decks are clean and uncluttered with a non-skid pattern moulded in. Anchoring is by electric winch with a remote control.

Down below is about as roomy as any 37-footer on the market. Two symmetrical double cabins aft and one large V berth forward. The V berth has private access to the ensuite which also has an entry from the main salon for guest access. The salon is spacious with abundant natural light plus opening hatches for excellent ventilation. The hinged table can accommodate 6 people easily.

Massive storage areas are cleverly hidden behind all the lounges plus there are numerous overhead compartments with secure latched doors.

Overall headroom is around 2 metres which is a nice luxury.

A Highfield inflatable matched to a Mercury 3.3hp outboard complete the package.

Features

Designer	Bavaria
Builder	Bavaria
Water (Potable) Capacity (l)	420 (2 x 210L)
Hull Construction Material	Fibreglass
Hull Type	Mono
Deck Construction Material	Fibreglass
