## Description

Escape to the tropics or beyond in this 2006 model Bavaria 46 in immaculate condition with the popular 3 private cabin plus bunk room layout. Exclusively for sale with DBY Boat Sales.

Fully setup for coastal and pacific cruising, including features such as a 2019 Lewmar mamba drive autopilot, a Hydrovane wind vane steering system. Large modern sail wardrobe and a massive open plan galley and entertaining area with the largest cockpit space of a yacht at this size.

The cockpit has full sun protection and additional zip on sides which give her plenty of weather protection during sun or rain. One of the nicest entertaining areas for 8 people or more.

The complete set of sails include a # 1 genoa, a 2016 Short Sails # 3 jib, a gennaker with all sheets, a storm jib with detachable inner forestay and a Short Sails fully battened 2017 mainsail.

Safety gear is all up to date and very extensive including a 6 man liferaft plus two drogues with a 100m spliced line, chain and swivels.

The standing rigging was totally replaced in December 2015.

Two stainless steel 4.5kg gas bottles, both in recent test compliance and a 2021 Eno stove.

Modern electronics from Raymarine include a plotter, wind, depth, speed and VHF radios.

The top and bottom rudder bearings have been replaced with Jefna bearings 4 years ago.

The Volvo Penta D2-55 engine has less than 3,200 hours and has been impeccably maintained, with a replacement kit installed in the water pump in 2019 and an engine service done in February 2020.

Antifouled and full out of water survey was done in July 2021. Available upon request.

Two quality primary anchors including a Rocna and a Danforth anchor, shackled to 75m of gal chain installed in 2019 and powered by a two-way electric winch with dual station controls. There is a spare chain, with rope rode.

A nice bonus is the Australian Registration and a 2015 Crewsaver Ocean 6 person liferaft in current service until 2023.

This boat is ready for the new owner to step aboard and cruise to anywhere.
