Description

Shallow draft 1.56metre ,2013 Beneteau Oceanis 55 Zatarais now for sale. 12 month stem to stern warranty included!!

Zatarais well presented and extensively equipped for safe and luxurious world ocean cruising.

\$300,000 was spent in upgrading her above the basic model including -

Popular 3 cabin version with additional 4th cabin in forepeak for kids privacy. Attractive, light and spacious main cabin gives apartment type living. Generous windows and hatches throughout ensure lots of light and ventilation.

She has solid stainless liferails and stanchions which are extra high, fantastic for safety as well as for securing equipment to rails on passage.

An additional targa bar on the transom incorporating davits. This combined with the large swim platform gives the boat a super dinghy dock. Fantastic rear boat access at waterline height

Air conditioning throughout

Oversped 9KW generator

Fully equipped Galley with Microwave, Icemaker, Watermaker, Folding and Pivot dining table

Vacuflush toilets with Holding tanks

Simrad electronics

TV x 2 plus DVD

Wave Wifi with booster

Upgraded Simrad package with large screen. Dock and Go parking pod

Extra shallow keel but with super stability due to big wing keel

Self Tacking jib and In mast furling make this boat so easy to sail short handed. The current owners proved this having little skills in sailing before setting off on their journey from the Caribbean to Australia

High level trim package, Leather upholstery

Electric winches, Sprayhood, Awning, 2 x 320 watt solar panels on the targa top

Aluminium base dinghy and 9.9hp Yamaha outboard, wind generator.

Duo Desalinator

Washing Machine and Dryer

Yanmar 75HP diesel with just 1490 hours with folding prop

There are 2 features in particular which make her very special.

Firstly the 1.56m wing keel. This is a super attribute with those who are wanting to cruise in shallower waters, crossing bars or if you want the best and biggest yacht in your depth challenged mooring or jetty. To compensate for the shallow draft the design is fitted with more weight in the keel.

With the shallow configuration, and massive beam, this yacht proved to be super stable on her Pacific run and outperformed most of the fleet.

Secondly, the ZF Saildrive "Dock and Go" is amazing. This system allows full control in any direction in docking using front bow thruster and rear propulsion pod system. Wow!!

Ready now to be taken over and sailed out immediately.

Features

Designer	Berret Raccoupeau/ Nauta Design
Builder	Beneteau
Water (Potable) Capacity (l)	978
Hull Construction Material	Laminated sandwich glass/ Polyester/ Balsawood - Infusion applied.
