Description

Bounty 35, shoal draft, as new engine and all rigging replaced in 2022 is now for sale, exclusively with DBY Boat Sales. 2 owners since new. This Peter Cole designed classic cruising yacht will tick many boxes for a small family or someone wanting to shorthand and go cruising. She has many quality features for safety and comfort. Australian registered is the first bonus.

The 2016 Beta 25hp engine looks like new and was serviced 10/23, now showing only 280 hours on the meter.

The running and standing rigging were all replaced in 2022. There is solid stainless life rails right around the entire yacht. The deep cockpit has a strong and safe feel to it and is softened by some nice cushions plus a very solid hard spray dodger, poly carbon and fibreglass. Internally, she is a small home with a warm feel saturated by varnished timberwork. The flooring and timberwork is immaculate as is the upholstery.

Rare to see on a 35 footer, a quality commercial grade Coursemaster autopilot that won't let you down and is better than 2 crewman, plus there's a plotter, VHF, AIS and depth/fishfinder amongst the electronics package. New electrical wiring from bow to stern. Dual anchoring system. On deck is spacious with plenty of level areas to move around safely, tend to sails or sun bake!

Loaded with safety equipment which is mostly up to date, the liferaft is just in need of a service. The sail wardrobe is very good, mostly from 2015 along with the Harken self tailing deck winches and the battened main sits in a boom bag with lazy jacks. An insurance survey was done in October 22 and would be suitable for ongoing insurance requirements. Available upon request.

Arrange an Inspection anytime by calling +61 2 9999 3311 or email to sales@dbyboatsales.com.au

Features
