Description

This Brewer 42 deck saloon yacht has cruised the USA and is one heck of a cruising yacht!

Easily handled by two people with double headsail furlers on the cutter rig complemented by the Leisurefurl furling boom. The rig was rerigged, resprayed and fully serviced in 2006,and of course there is an electric halyard winch!

The centre cockpit is very comfortable and protected with excellent dodger/bimini combination PLUS down below in the pilothouse to starboard is an inside steering station combined with full navigation area.

The aft cabin is huge with ensuite bathroom that includes a separate shower access.

The galley is to port in the pilothouse giving light, air, and full vision. The dinette is huge using the full beam of the yacht and the forward bathroom has a two-way door system so it also serves as an ensuite to the forward cabin.

There are many spares on board and the inventory is impressive and complete including washing machine/dryer, Balmar smart charger, solar panels, Honda 4 stroke generator, 160 volt and 230 volt inverters, water maker, inflatable dinghy with 9Hp Honda 4-stroke outboard plus more.

Just jump aboard and go cruising.
