Description

THIS BOAT IS SOLD. PLEASE CONTACT US FOR SIMILAR LISTINGS.

This yacht was built to an American design in New Zealand. Her hull is full length 2" Kaori that has been edge chamfered and edge glued, no caulking. She has recently been stripped and painted in two pack that should keep her watertight for years to come.

She is fully sheathed below the waterline and beautifully faired. Her deck is 2 1/2 inch oak.

Everything about this boat is very much over engineered and sturdy.

The masts were recently removed, checked and repainted.

Her sails are traditional cotton and relatively unused, though the owners have not put them back on and have simply used her as a motor sailer.

There is a double berth to the bow along with a single berth and a double berth aft and space for two in the lounge. She also has a very relaxed lounge area.

This yacht is being offered at a price to sell that is far below her true current value. This is a great buy for anyone who would like to spend time on a yacht in comfort.

Please note the owners will consider an exchange or part exchange for another yacht, classic vehicle or property. They would simply like her to go to someone who will make more use of her.

Exclusively for sale with David Bray Yachts Pittwater.

\$89,000
