Description

PRICE REDUCED!

We are pleased to offer for sale this beautifully maintained 2004 Capricorn Classic 38 Flybridge Cruiser. Renowned for their build quality, comfort and style the Capricorn 38 also boasts excellent speed, range and seaworthiness. Weekend aboard or cruise the coast or the Pacific, as other owners of these fine cruisers have done, the choice is yours.

She has all the comforts of home including air conditioning, 2 TVs, ice maker and separate fridge and freezer. Her large flybridge accommodates eight people including two in swivel chairs at the island helm.

Below there is a separate lounge and a u shaped settee around the polished dining table, both with good views of the large screen TV.

Her generous owners cabin boasts an innerspring mattress, island bed and lots of storage and separate TV.

She is seriously equipped for travel at sea with two low hours, up-spec'd 480HP Cummins Diesels. She comes complete with a large screen Raymarine display at the helm, radar, GPS, VHF radio, Epirb and fish finder. Her faired bow slices through the water, providing a dry and comfortable ride at her cruising speed of 25 knots, which is well below her top speed.

Slipped, serviced and anti fouled in May 2014 she is ready to go, with new owners aboard.
