Description

Launched in 1981, this timber Carvel Bridge Deck cruiser, custom built by Sydney boat builder Jim Dempsey, in 2 inch spotted Gum, is now for sale.

Escapade IV has been owned by its current owners for 15 years and has done extensive long distance cruising and many shorter holiday cruises in this period.

Lovingly maintained and kept to a particularly high standard, she is an excellent live aboard cruiser and very economical to run.

Loaded with safety gear and all the nice things you need. It even has a twin tub washing machine.

Vessel was originally built to survey in NSW 1E with copper fittings and is ocean going.

A recent out of water survey from January 2015 is available.

Located on the North East Coast of Australia and ready for inspection anytime.
