Description

Catalina 250 MKII launched 2008 and in mint condition is now exclusively for sale with DBY Boat Sales. These pocket rocket cruisers are ideal for sailing shorthanded, with the family or a group of friends as they can accommodate 6 people which is amazing for a 25 footer.

Big enough to sail all over Pittwater and Sydney Harbour plus offering some coastal hop sailing in good conditions.

The functionality for size and price in a modern styled yacht is fantastic.

A large, fully cushioned cockpit with two Champayne seats incorporated into the push pit rail allow for the crew to sail in comfort or lounge around at anchor. A pop top roof hatch opens the cabin up nicely allowing good headroom and additional ventilation, making the yacht feel 3 feet bigger at the same time.

Easy to sail with the tiller steer and the 15hp 4 Stroke Mercury is very economical and simple to service. The solid lead winged keel is the preferred and more stable setup for these yachts. Standing rigging is 2018.

The cabin boasts an amazing set up for size with a large aft double bed, forward V berth and another 2 singles. Seating for 6 around the table, galley sink, prep area and room for an esky.

Fully enclosed head, sink and vanity. Recent 12V electrical system incorporating Bluetooth sound system and speakers, Lithium battery plus solar charging, VHF radio, Garmin tri data, navigation lights and quality lighting throughout the vessel.

For full inventory plus more photos and/or to arrange an inspection call +61 2 9999 3311 or email sales@dbyboatsales.com.au
