Description

Catalina 28 SEABELL exclusively for sale with DBY Boat Sales. Catalina 28 MkII – Proven Coastal Cruiser with Timeless Appeal

The Catalina 28 MkII is one of the most popular mid-sized cruising yachts ever produced, renowned for its comfortable layout, dependable performance, and ease of handling. Designed with both the weekend sailor and coastal cruiser in mind, she offers an ideal balance of practicality, space, and sailing enjoyment.

Built with Catalina's well-known solid fiberglass construction and thoughtful design, the MkII version benefits from refinements that enhance both onboard comfort and sailing efficiency. Her wide beam and well-proportioned hull deliver excellent stability, while the fin keel and spade rudder provide responsive handling under sail and power.

The cockpit is spacious and well laid out, featuring comfortable seating, easy access to all sail controls, and a walk-through transom with boarding ladder—perfect for entertaining or relaxed days at anchor.

Below decks, the Catalina 28 MkII impresses with a bright and inviting interior. She offers generous headroom, a practical galley, and a well-designed saloon with ample seating and storage. Accommodation is provided via a forward V-berth and a large aft double cabin, making her ideal for couples or small families. The enclosed head with shower adds to her cruising capability.

Powered by a reliable inboard diesel engine, she is equally capable under power when needed, whether for docking or motoring in light airs. Key Features:

- Spacious cockpit with walk-through transom
- Comfortable 2-cabin layout
- Enclosed head with shower
- Practical galley with ample storage
- Reliable inboard diesel engine
- Stable and forgiving sailing characteristics
- Ideal for coastal cruising or weekend escapes
