## Description

2004 Ocean series 471 Catana 2004Rhum Raisinnow for sale exclusively with DBY Boat Sales. A well-presented example of this renowned performance cruising multihull.

The design has ample bridge deck clearance to avoid underfloor slamming common with most competitor brands. The hulls are high volume giving good performance but more importantly safety. In other words you can if needed push hard.

The Catana 471 is still the benchmark for centreboard cruising multihulls with the boards down, giving her upwind speed and height. Offwind with boards up she tracks safely in a seaway with boat skidding sideways rather than grabbing. Boards up is also a huge advantage in shallow anchorage areas.

Rhum Raisinis the 4 cabin, 2 head family version with option to convert to 3 cabin easily.

She has the alloy rig which is more favourable from an insurance perspective.

Fully air-conditioned throughout and loaded with a significant suite of cruising must or want to haves, she is ready for your dream cruise.

Significant features are her Lithium Battery bank, 5KVA Northern Lights Generator, Rocna 40kg anchor, 200L/ hr Watermaker, 3.1m Inflatable and 15hp outboard.

An inspection will not disappoint.
