This 1987 Cavalier 28 is now for sale.

Well priced to sell, these yachts have been one of the most popular designs for easy cruising with the family or twilight racing.

An excellent compact cruiser racer offering great volume, the roomy interior layout includes an enclosed electric toilet with holding tank, metho stove in the galley, dinette, sleeping space for a crew or family of six.

A huge protected cockpit with tiller steer that folds out of the way at anchor makes room for racing crew to sit around or for family entertaining. There is a brand new bimini frame and canvas along with matching boom bag and lazy jacks.

Designed by NZ Americas Cup designer Laurie Davidson, the Cavalier 28 is a wholesome cruiser, very sweet to sail and has proven club and twilight performance.

With new standing rigging 2013 and antifoul in October 2020, Whisperer is ready now for her next owner.
