Description

1984 Cavalier 28 for sale exclusively with DBY Boat Sales.

A great example of this super popular pocket cruiser.

The owner has spared no expense in ensuring the best of equipment including 2-year-old sails, 2-year-old standing rigging and current electronic package.

Most significant is her near new 2021 Beta 16hp diesel with just 133 hours.

Set up nicely for short handing with Main in a near new boombag and furling headsail lead aft.

Her cockpit is well protected with a Bimini.

The sale price is very reasonable with all the recent upgrades cost surpassing asking price.
