## Description

This 1994 one owner Cavalier 350SL in immaculate condition, is now for sale.

The vessel is built to survey standards and has been kept in Class 1E and 4E National Survey since new.

A very well maintained Cavalier that will suit the family looking to get away, or would be quite a serious racer with her fin keel and sleek lines.

She boasts some nice cruising features such as solar, folding propellor, self-tailing winches, holding tank, spinnaker, and can accommodate up to 6 people.

The only reason this is for sale now is the owners want a larger yacht for extensive coastal cruising.

Located in Pittwater and available for immediate inspection, this boat won't disappoint.

---
