1990 Cavalier 37E for sale exclusively with DBY Boat Sales.

Cavalier 37E now available. Made famous by Kay Cottee who became the first woman to circumnavigate single-handed. The Cavalier 37 is a proven example of a blue water cruiser capable of being shorthanded whilst providing a good ride at fair speed.

Her comfortable and spacious interior makes her the ideal cruising boat for a couple. This example is the best I have seen for some time. She presents very clean and her maintenance schedule has been adhered to carefully.

Errol Flynnis ready to sail away. She was the first Cavalier 37 to be built with the new mould incorporating the sugar scoop at the stern.

Powered by a beautifully maintained Yanmar 30hp diesel installed in 2011 with just 860 hours.

The mast was rerigged in 2019 with all the spars and running rigging in excellent presentation.

Her interior is clean, dry and airy with new windows, neat upholstery. Her bunks are a good size with option to lower main saloon table for extra guests.

DBY are very proud to list this boat. A truly beautiful example of this iconic design.

Features
