This 1976 Cavalier 39, in very tidy condition is now for sale.

A very solid yacht designed by Bob Salthouse and built in New Zealand, it is very well equipped for coastal and ocean cruising with a beautiful interior timber fitout that will stand the test of time for many years to come.

This design is very generous in cockpit space along with excellent storage lockers throughout.

The engine was replaced in 2007 and all other components have been maintained to a very high standard.

This yacht is well worth your inspection.
