Description

Clipper 34's are stylish, classic looking trawler style flybridge motor cruisers. This 1984 model is in good original condition and is now for sale exclusively with DBY Boat Sales.

The Ford Lehman 120hp is in good mechanical condition with a recent service done.

The layout is ideal for 6 people but can go to 8 if extra beds are required.

The interior volume is huge for the overall 34 feet and there is a nice feeling of privacy between the cabins and open plan layout. Large and plentiful windows make the boat incredibly light inside with unobstructed views all round.

The flybridge area has moulded seating with cushions, a fold away table and is well covered by a foldable bimini on stainless frame. There are panoramic surrounding views as you drive along or entertain from that station or choose the more protected lower helm station if the weather dictates you steer from there. The large marlin board on the transom makes for easy entry and perfect for diving into the water after dangling your tows with a drink in hand.

2 enclosed ensuite bathrooms with holding tanks for both electric toilets.

Antifouled: September 2024

Arrange an inspection by calling us 02 9999 3311 or email us sales@dbyboatsales.com.au
