Description

Clipper 34's are stylish, classic looking trawler style flybridge motor cruisers. This 1984 model is in good original condition, and is now for sale exclusively with DBY Boat Sales.

The Ford Lehman 120hp is in good mechanical condition with a recent service done June 2020.

The layout is ideal for 6 people but can go to 8 if extra beds are required.

The interior volume is huge for the overall 34 feet and there is a nice feeling of privacy between the cabins and open plan layout. Large and plentiful windows make the boat incredibly light inside with unobstructed views all round.

The flybridge area has moulded seating with cushions, a fold away table and is well covered by a foldable bimini on stainless frame. There is panoramic surrounding views as you drive along or entertain from that station or choose the more protected lower helm station if the weather dictates you steer from there.

2 enclosed ensuite bathrooms with holding tanks for both electric toilets.

The galley is an inline set up as good as home. Plenty of light and space to work in. Large opening windows with curtains.

The flybridge area also has a large stainless-steel BBQ for outdoor cooking and the swim platform on the transom is large and sturdy for taking a swim or dangling your feet in. The hand rails around the entire boat are high and secure for moving about underway or for the safety of smaller children.

Features

Builder Chung Hwa

Water (Potable) Capacity (I) 500
