Description

1985 Cole 23 now for sale with DBY Boat Sales.

The best example of a Cole 23 we have ever seen. Everything is practically brand new.

The boat has been stored in a shed for several years where she underwent a major refit. New paint job inside and out.

All rigging including running and standing rigging has been replaced in October 2018 with receipts available. A brand new Selden boom swings on the freshly re painted mast.

LED navigation lighting, a 2016 Yamaha 8hp long shafted 4 stroke outboard with approximately 2 hours use in 2018 only.

The engine was purchased new in 2016 but not used until 2018.

The interior is brand new including all cushions with new foam and upholstery. There is even padded, full head linings throughout.

The galley is set up very simple and has a manual water pump at the sink. 1 house battery supplies LED cabin lighting, navigation lights and the automatic bilge which has never pumped a drop because the boat is absolutely bone dry.

Brand new sails were still being made at the loft in October 2018 and they complete this amazing little head turner of a yacht.

The pop up roof is an absolute classic feature and gives these small yachts full headroom when at the galley area or additional room whilst stepping down below.

The varnished timberwork throughout is in excellent condition and the exterior grab rails and stanchions are all near new stainless steel.

Inshore safety gear included, she is ready for this season’s summer fun.

Antifouled most recently in September 2018, she is ready to go.

Get in quick to inspect and avoid missing out.

Features

Designer	Peter Cole
Builder	East Coast
Water (Potable) Capacity (l)	20 litre drums connect to sink.
Hull Construction Material	GRP
Hull Type
