Description

1980 Compass 29 yacht with a 2019 installed Nanni Diesel 18hp, 3-cylinder diesel shaft driven engine is now for sale.

This yacht is a fine example of a classic family cruiser that has been owned by the previous owner for more than 10 years with regular maintenance and upgrades being done along the way.

The yacht was slipped in September 2020 for annual antifoul, anodes and cleaning.

The engine has very low hours since being installed in October 2019.

A new battery for the engine start was replaced in September 2020 and she is truly turn-key, ready to go.

A large wardrobe of sails all in good condition, metho 2 burner stovetop for easy cooking in the galley, sleeps 6, table for 4 inside plus a nice cockpit table for outdoor entertaining under a full-sized boom tent/awning.

Davits hang off the transom that are cleverly designed to swing inwards when not in use, for the safe storage of the dinghy whilst on passage.

Loaded with all the galley utensils for cooking, cleaning and maintaining, tools and spares galore, this yacht is a very honest example of entry level yachting at a realistic pricepoint.

Features

Designer	Don Lees
Builder	Compass Yachts
Water (Potable) Capacity (l)	100
