Description

This 1994 Corsair 24 MK II Trimaran for sale has had little recent use.

A new owner would benefit well from her good condition and easy sailing ability.

Equipped with near-new screecher and sails, roller furling jib and recently antifouled.

She is a mover and has been a common sight around the Swan.

With 4 berths and a popup cabin top, any weekend on the river or estuary is easily within reach.

The owner also has a mooring for sale in a separate arrangement on the Swan River in Perth for Run Amok.

A licensed road trailer is included and the boat with trailer combo can be towed with a large family car, so a sailing weekend away from home is easily done.

As this great little Corsair is currently in Perth we can arrange transport to the Eastern States.

For sale at DBY Boat Sales Western Australia Office in Perth. Please call 0422 606 298 for an inspection. For high resolution photos and an inventory, please email sales@dbyboatsales.com.au
