Description

1974 Davidson 32 now for sale.

Beautifully presented and maintained Laurie Davidson design constructed in Triple Kauri and GRP.

Powered by a 15hp Kubota diesel engine, Spindrift 11 is well set up for short-handed sailing offshore or inshore.

An easily driven hull shape for high pointing and good off wind performance makes her an ideal cruising boat with that performance edge.

Great for social twilight racing.

Interior is light and well laid out.

December 2016 Survey available.

Fantastic value and will sell quickly.
