Description

2004 model Dufour 44 in popular 3 cabin layout with extensive cruising options is now for sale and exclusive with DBY Boat Sales.

This is a long-distance comfortable cruising yacht with emphasis on comfort, speed and handling, not to mention good looks.

All Dayhas sailed the world’s oceans and is set up to continue that journey with recent upgrades including a full 2021 Raymarine electronics package, large volume solar and new batteries throughout.

The rigging was totally replaced in 2021.

The cockpit is large and well protected by almost a complete enclosure of zippered canvas sections that can keep you covered or open-up completely.

Headroom and overall space down below is above average, and the two private aft cabins are completely private and share the same bathroom. The large V berth has island queen bedding and private enclosed ensuite.

A brand-new gas stove and oven has been fitted to a very spacious galley where there is an abundance of storage options and several appliances included. A Spectra 58 lph water maker is included and all you need for endless water and continued long distance cruising.

We have a recent survey report on hand, and following that the vendors agreed to having the sails and boom cover professionally washed by Vacuwash, having the engine serviced, the fridge serviced, and the teak decks professionally cleaned. She is now quite literally ready to sail away.

Inspections are welcome and won't disappoint if you are seeking the yacht to sail you to paradise.

Features
