Description

1978 Endeavour 26 for sale.

The Endeavour 26 is well known to be a roomy cruiser racer and perfectly suited to someone stepping into their first yacht.

These popular boats can be handled with ease and yet they are often seen with a family of five on board. A V double in the bow plus 1/4 berths down each side and the table converts to another large single or cosy double.

This one has just rolled off the slips with fresh antifoul and an engine service at the same time. Receipts available. Numerous spare sails included.

A great opportunity to get out on the water this summer with a minimum spend. Be quick at this price.
