Description

This 1983 Farr 1104 Razzamatazz, is now for sale. Razzamatazz has just won its Division at RPAYC for the 2015-16 season!

Bruce Farr as a yacht designer has won more Sydney-Hobarts than any other designer! His first of 19 winners was Piccolo in 1976, his breakthrough Farr 1104 design. Thirty nine years later the Farr 1104 is still performing well at club and offshore level!

She is a great racer/cruiser with good weekend accommodation, even a door on the head!

The inventory is complete with 5 sails from 1 to 4 years young plus many others.

The feathering prop is new in May 2015.

The rig was new in 2006 and converted to swept spreader for easy shorthanded crew work

In 2006 a fully reconditioned Yanmar 30HP 3GM30F replaced the original diesel.

Again for easy crew work selftailing winches have been added.

Very well maintained on jetty. Has 2013 rig check and 2014 insurance structural report.

Slipped September 2014.

The owners new boat has just launched, owner says sell, was \$47,500, now \$44,000!
