Description

2000 Farr 9.2Nautiqueis now for sale exclusively with DBY Boat Sales.

This Farr 30/9.2 which was built and launched in 2000 has been well cared for by her current owner, and presents in neat condition in her Yacht club berth where she has been kept and maintained.

The design was conceived following several requests for a good all-round safe, economical, fast cruising yacht of 30 ft overall length. There were requests for a fixed keel boat and also a lift keel boat that could be trailered, and for this reason, the beam was kept below 9 ft 6 inches to allow semi-permanent over width trailing permits. This produced a yacht with a moderate beam/length ratio which guarantees very fast speed and easy handling reaching and downwind.

This is the fixed keel version.

She has a Nanni diesel inboard shaft driven engine in good condition with low engine hours.

Her interior is light and airy albeit quite basic which is in keeping with most yachts of this style and purpose.

Upwind performance and initial stability at rest is provided by the ballast being set very low in the fixed keel version and firm bilges which gives the boat a great amount of stability. The fixed keel version carries a higher ballast ratio with the lead being located low down in the keel.

This design will fill a great number of individual needs as well as being an excellent all- purpose yacht, and is one that will develop well into a class or club racing yacht, providing exceptional interior accommodation per dollar spent, a stable, safe family yacht, as well as a very high performance potential for those people who see no reason for a cruising yacht not to be very fast and/or wish to race their yacht in one-design or club races.

Features

Designer	Bruce Farr
Builder	John Nielson
Water (Potable) Capacity (l)	100
Hull Construction Material	West epoxy system
Hull Type	Mono
Deck Construction Material	Fibreglass
Country Origin	Australia
Length (feet)	31
Length (m)	9.2
Beam/Width (m)	2.85
Draft (m)	1.58
Number of Helms	1
Colour	White
Engine Notes	Serviced February 2019
