Description

Stunning 1985 original version of this well regarded Feeling 1100 European cruising yacht, is now for sale.

She is in almost showroom condition so rare for a boat of this era. The topsides and bright work will amaze any prospective purchaser. The Volvo diesel looks like it was installed yesterday.

Downstairs the boat is light and airy and the 2 cabin layout ensures 2 substantial cabins. The forward cabin in particular is generous with a queen size double that is easy to access.

There is a nicely laid out L shaped galley to port, plus dining table to sit at least 6.

The bathroom is as big as you will see on much larger boats.

Safety is up to date for local waters and rigging just recently replaced.

Fantastic buying for someone wanting turnkey fun for summer.
