Description

Fisher 20 putt putt dayboat, built in 1995, is exclusively For Sale with DBY Boat Sales.

It's hard to get a more basic boat that still gives the pleasures of boating than this open day tripper. Powered by a shaft driven, 18hp Yanmar diesel inboard that is extremely fuel efficient and has just been serviced in November 2023. The open plan cockpit area has enough space for a couple of deck chairs and a table over the engine box. Plenty of internal room for a few rods, crab pots and the esky. Up in the bow is a small undercover area to stow equipment out of the elements. The bow area has a flat cushioned section that is suitable as a basic bed. The boat has full covers for when on the mooring.
