## Description

This 1980 Fisher 37, a long keeled, ketch rigged motor yacht, is now for sale.

With five berths in two cabins, plus saloon, this roomy, agile, sea kindly yacht boasts 6ft 4 inch headroom and plenty of live-aboard space.

She was built to Lloyds specifications, with hand laid solid GRP cloth up to 25mm thick.

The present owner purchased her in the USA from a family who commissioned the new craft, then cruised her home across the Pacific. She offers generous sail areas on both masts, with boom furling on the mainsail. The voyage average was over 140 miles/day with some 170+ days.

Safety is a feature of the Fishers. High coamings, clear walk around deck, deep cockpit, enclosed snug helm position plus 50% ballast offer a stable, dry voyage.

A unique design - built to sail anywhere comfortably.
